**CHURCHES TOGETHER IN COULSDON**

St Mary's belongs to the local Churches Together in Coulsdon and joined the Covenant between churches in 1998. The purpose of this is to establish Christian links with one another in prayer and in fellowship; co-operating in activities which can be done together to further the Unity of the Church. Clergy and lay representatives from each Church in Coulsdon meet regularly to plan joint activities: our parish representatives are Paul and Judy Whitehead. The clergy who the various churches meet together for a fraternal monthly to support and encourage one another in their respective ministries.
